BairnsTrust Share - Save Scheme

Fellow Falkirk Fans,

The aim of BairnsTrust share save scheme is to encourage **ALL** supporters to invest in the club and ensure that we have an influence at the highest level of the club. The most vital ingredient in any club is the fans.

Our innovative scheme, Share Save, enables Falkirk supporters to invest in Falkirk Football club. The benefits of this initiative are two-fold, fans can have a share of their club and a say in how it is run, while the financial gains are invested in the club's future.

This long-running initiative lets fans contribute from a minimum of £10 per month into the savings scheme. On maturity, the money will be used to buy newly issued shares in Falkirk Football Club, and as such all money raised goes to the club.

Members of BairnsTrust will receive ordinary shares in the club and a greater say in how the club is run. The shares are bought in the investor's name. However, fans are not 'locked in' and can extract their money or shares at any time.

Joining is simple. Just fill in the application form below, return it to your financial institution, and start to make a **REAL DIFFERENCE**.

Yours sincerely,

Chairman, BairnsTrust
